

UAB Gift Acceptance Policy and Guideline for Publicly Traded Securities

UAB accepts gifts of publicly traded securities including stocks, bonds and mutual funds. This type of gift may be transferred electronically or delivered in certificate form. It is the University's general policy for all publicly traded securities to be sold upon receipt. All gifts of stock should be accompanied by a letter from the donor stating his/her intention to give the securities to UAB.

To receive prompt credit for your gift, please contact Brian Hagan, Director of Gift and Biographical Records, with the following information:

- Your intention to make a gift to UAB
- The estimated transfer date
- The name of your securities firm
- The name and contact information of your broker and the stock to be transferred.
- The intended purpose of the gift

Electronic Transfer

UAB has established brokerage accounts at a number of local and national firms; however, our main account resides at Stifel and all gifts of securities should be directed there if possible. Securities should be transferred to the following:
